Principal's Report	<ul style="list-style-type: none"> <li>Budget spending - is at 55% of spending at 66% time through the year. Looking ahead to try to see what to spend on, and what can spend on next year. In good position financially.</li> <li>With restrictions lifted, they are finding most kids are continuing to wear their masks, not seeing banter between kids about mask choices. School is fully supportive of either choice. Approx. 95% continued mask wearing. Also seeing this for outside activities.</li> <li>Almost all teachers are wearing masks.</li> <li>Hearing from other schools, they are also seeing similar situations for mask wearing.</li> <li>School is trying to navigate changes to screening, isolation requirements. Also trying to figure out what are they allowed to do, full go ahead with lunch programs - maybe pizza after Easter. Will also look into Pita Pit.</li> <li>Questions being asked about Grad trips - not clear direction yet on field trips/grad trips. Day trips may be possible. If the school is allowed they will try to do a trip but will depend on guidance from school board.</li> <li>Intramurals are going great, loving Dodgeball. Pizza Party prize. After that will allow kids to create their own intramural teams. Then will proceed with more intramural sports. Don't think that board is moving towards inter-school sports.</li> <li>Have put a survey out to parents of feeder schools coming into Cedarview about the music program - heavy on keyboards, and then also a large inventory of instruments. Still trying to determine what direction the music program will take.</li> <li>Science Fair with Mr. Rickets, Mme. Pavic had a really good debate - great stuff still going on in classes - see previous weekly updates home for that info.</li> </ul>	Shelley Neill
